

# ANIMAL HEALTH NETWORKING RECEPTION

**MONDAY 19 FEBRUARY • 6.00-8.00 PM**

SCOTLAND HOUSE, 58 VICTORIA EMBANKMENT, LONDON, EC4Y 0DS

Highlands and Islands Enterprise (HIE) and Scottish Development International (SDI) warmly invite you to an evening of informal networking ahead of the Animal Health Investment Forum.

I was born and brought up in the agriculture sector in the Highlands and Islands of Scotland where over the past 40 years there have been massive advances. The region now offers access to a well-established supply chain for animal health businesses, including academic and industry expertise.

George Gunn, Founder and CEO, Stonehaven Consulting AG
